

HONORS AND AWARDS:**Award of Appreciation****Patricia Hargrove**

The recipient of our next Award of Appreciation has also made significant contributions to the work of the Council. Within just a few years she has provided distinguished service on committees and as a member of the Executive Board. From 1999-2000 she served on the Working Group on Teaching. As chair of the Council's Publications Committee from 1999 to the present, she very ably assumed the responsibility as lead editor of the Council's Proceedings of the annual conferences. Since 2000 she has served on the Executive Board as Vice President for Communications. In that position, she has expertly overseen all of the information dissemination activities of the Council, including interactions with the web master. And in a role very important to her and to the Council, she has served as a strong advocate for smaller programs in CSD who are members of the Council. The Council's Award of Appreciation is awarded to Dr. Patricia Hargrove.
