Institutions Participating in CSDCAS

The 2023-2024 CSDCAS Applicant Data Report reflects data for the universities participating in CSDCAS during that cycle. The additional programs that joined CSDCAS during later cycles are not listed below or included in this report. To be eligible to participate in CSDCAS, programs must offer entry-level clinical graduate degrees in Speech-Language Pathology or Audiology. Programs must either have achieved or be in the process of pursuing accreditation from the CAA or ACAE.

Audiology Participants

- A.T. Still University Arizona School of Health Sciences
- Adelphi University
- Auburn University
- California State University Los Angeles
- California State University -Sacramento
- Central Michigan University
- Commonwealth University of Pennsylvania - Bloomsburg
- Drexel University, Elkins Park Campus (formerly Salus University)
- East Tennessee State University
- Gallaudet University
- Grand Valley State University
- Idaho State University
- Illinois State University
- Indiana University Bloomington
- James Madison University
- Kent State University
- Lamar University
- Louisiana State University Health New Orleans
- Louisiana Tech University
- MGH Institute of Health Professions
- Missouri State University
- Montclair State University
- Northern Illinois University Doctor of Audiology
- Northwestern University

- Nova Southeastern University -Audiology
- Ohio University
- Pacific University
- Purdue University West Lafayette
- RUSH University
- San Diego State University
- San Jose State University Audiology
- SUNY University at Buffalo
- Syracuse University
- Texas Tech University Health Sciences Center School of Health Professions
- The Ohio State University
- The University of Akron
- The University of Cincinnati
- The University of Iowa
- Towson University Doctor of Audiology
- University of Arizona
- University of Arkansas for Medical Sciences
- University of Connecticut
- University of Florida
- University of Kansas
- University of Louisville
- University of Massachusetts-Amherst
- University of Memphis
- University of Mississippi Medical Center

- University of North Carolina Chapel Hill
- University of Northern Colorado
- University of Oklahoma Health Sciences Center
- University of Pittsburgh
- University of South Alabama
- University of South Dakota

- University of South Florida
- University of Tennessee
- University of the Pacific
- University of Utah
- Wayne State University
- West Virginia University
- Wichita State University

Speech Language Pathology Participants

- A.T. Still University Arizona School of Health Sciences
- Abilene Christian University
- Adelphi University
- Andrews University
- Arkansas State University
- Auburn University
- Augustana College
- Baldwin Wallace University
- Boston University
- Bowling Green State University
- Brescia University
- Bridgewater State University
- California Baptist University
- California State University Chico
- California State University Fullerton
- California State University Los Angeles
- California State University Monterey Bay
- California State University -Sacramento
- California State University, East Bay
- Calvin University
- Carlow University
- Case Western Reserve University
- Central Michigan University

- Chapman University
- Cleveland State University
- Commonwealth University of Pennsylvania - Bloomsburg
- Concordia University Wisconsin
- Delaware Valley University
- DePaul University
- DeSales University
- Drexel University, Elkins Park Campus (formerly Salus University)
- D'Youville University
- East Stroudsburg University
- East Tennessee State University
- Eastern Illinois University
- Eastern Michigan University
- Eastern New Mexico University
- Eastern Washington University
- Elmhurst University
- Emerson College
- Faulkner University
- Florida Atlantic University
- Florida International University
- Fontbonne University
- Fort Hays State University
- Francis Marion University
- Gallaudet University
- Gannon University-Erie

- Gannon University-Ruskin
- George Washington University
- Georgia Southern University -Armstrong Campus
- Georgia State University
- Governors State University
- Grand Valley State University
- Gwynedd Mercy University
- Hampton University
- Harding University
- Hardin-Simmons University
- Hofstra University
- Howard University
- Idaho State University
- Illinois State University
- Indiana State University
- Indiana University Bloomington
- Indiana University South Bend
- Indiana University of Pennsylvania
- Iona University
- Ithaca College
- Jacksonville University
- James Madison University
- Katz School of Science and Health at Yeshiva University
- Kean University
- Kent State University
- La Salle University
- Lamar University
- Lebanon Valley College
- Lewis University
- Long Island University Brooklyn
- Long Island University Post
- Longwood University
- Louisiana State University Health New Orleans

- Louisiana State University Health Shreveport
- Louisiana Tech University
- Loyola University Maryland
- Marquette University
- Marshall University
- Maryville University
- Medical University of South Carolina
- Mercy University (formerly Mercy College)
- Metropolitan State University Denver
- MGH Institute of Health Professions
- Miami University
- Midwestern University Downer's Grove
- Midwestern University Glendale
- Minnesota State University -Mankato
- Misericordia University
- Mississippi University for Women
- Missouri State University
- Molloy University
- Monmouth University
- Montclair State University
- Moravian University
- Mount St. Joseph University
- Murray State University
- Nazareth University
- Nevada State University
- New Mexico State University
- New York Medical College
- New York University
- North Carolina Central University
- Northeastern University
- Northern Arizona University

- Northern Illinois University
- Northwestern University
- Nova Southeastern University
- Ohio University
- Oklahoma State University
- Old Dominion University
- Our Lady of the Lake University
- Pace University
- Pacific University

Cycle	Participating SLP Programs	Verified SLP Applications	Mean # of Applicants per Program	Median # of Applicants per Program	Standard Deviation	% Change From Previous Year	Range in # of Applicants per Program
2019-2020	173	34,316	198	176	104	-11.65%	32-702
2020-2021	199	40,098	201	166	133	1.58%	17-731
2021-2022	213	38,177	179	148	118	-11.05%	12-634
2022-2023	224	36,337	162	135	109	-9.49%	13-631
2023-2024	240	38,692	165	131	122	1.85%	5-824

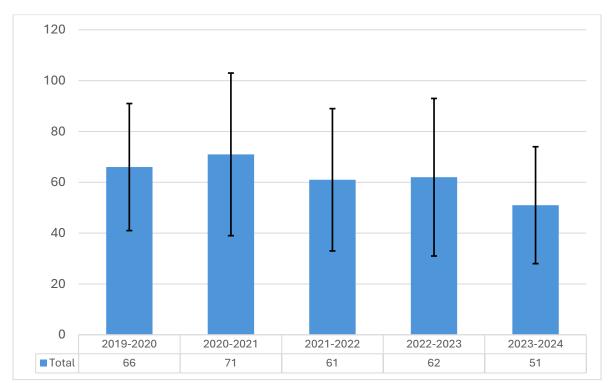

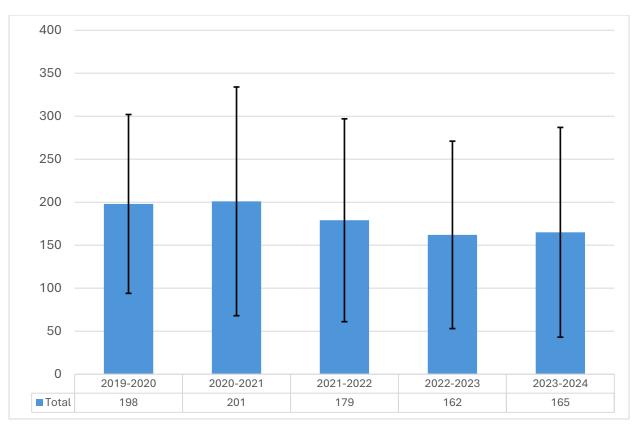

Figure 8: Mean Number of Applicants Per Audiology Program

Accepted Students

Programs participating in CSDCAS are required to provide their final decision data each fall. In 2023-2024, 3 Audiology programs out of 61 did not submit their data and 7 SLP programs out of 240 did not submit their final decision data. Therefore, the final data reported here are based only on those programs that provided their final decisions.

CSDCAS applicants with a verified status and the following admission decisions were categorized as "accepted" for the purposes of this report: Offer Accepted, Offer Declined, Offer Made, Deferred, and Matriculated. Applicants with a verified status who received no offers of acceptance to any program in CSDCAS are categorized as "denied." Data only reflects decisions reported by schools participating in CSDCAS. Applicants who applied via CSDCAS may have also applied to and been accepted by non-participating universities. Only those applicants who had a verified application are considered in this report.

Figure 10: CSDCAS Accepted Audiology Applicants

Cycle	# of Audiology Programs in CSDCAS	All Applicants with decisions	# of Accepted Applicants	% of Applicants Accepted	# of Applicants Not Accepted	% of Applicants Not Accepted
2021-2022	53	938	778	82.94%	160	17.06%
2022-2023	57	998	830	83.17%	168	16.83%
2023-2024	61	968	783	80.89%	140	14.46%

Figure 11: CSDCAS Accepted SLP Applicants

Cycle	# of SLP Programs in CSDCAS	All Applicants with decisions	# of Accepted Applicants	% of Applicants Accepted	# of Applicants Not Accepted	% of Applicants Not Accepted
2021-2022	213	10,435	8,148	78.08%	2,287	21.92%
2022-2023	224	10,467	8,376	80.02%	2,091	19.98%
2023-2024	240	11,125	8,955	80.49%	2,170	19.51%

Applications Submitted

Figure 12: Mean Number of Applications Submitted per Audiology Applicant

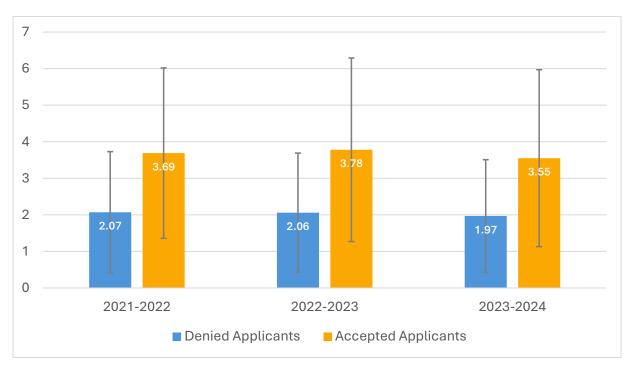

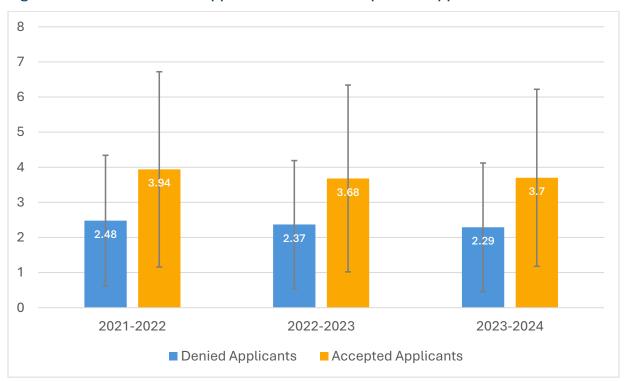

Figure 13: Mean Number of Applications Submitted per SLP Applicant

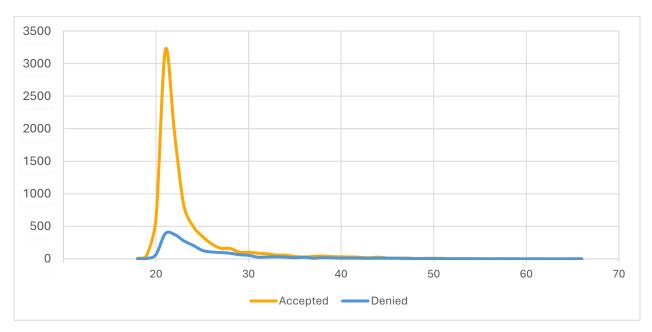

CSDCAS Applicants by Age

The average age of an accepted SLP applicant was 23.4 at the time of submission, and the average age of an SLP applicant who was not accepted was 25.6. The average age of an accepted Audiology applicant was 22.8 at the time of submission, and the average age of an Audiology applicant who was not accepted was 25.8.

Accepted -Denied

Languages Spoken

Applicants with an intermediate level of proficiency or higher in at least one language other than English (including American Sign Language) are considered bilingual for the context of this report.

Figure 22: Audiology Applicants That Have an Intermediate or Higher Level of Proficiency in at Least One Language Other Than English for the Past Three Years

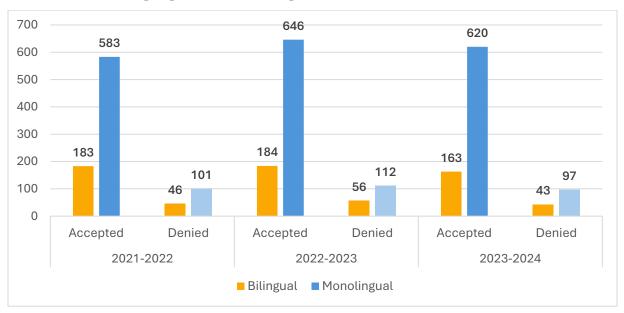

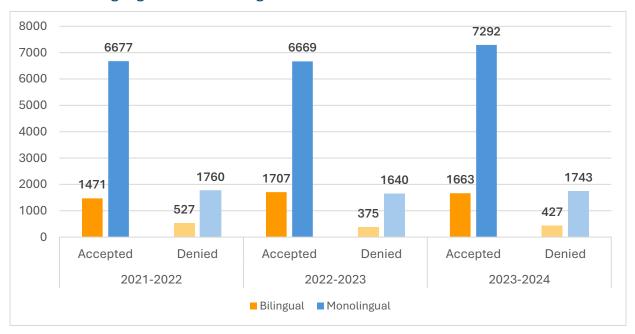

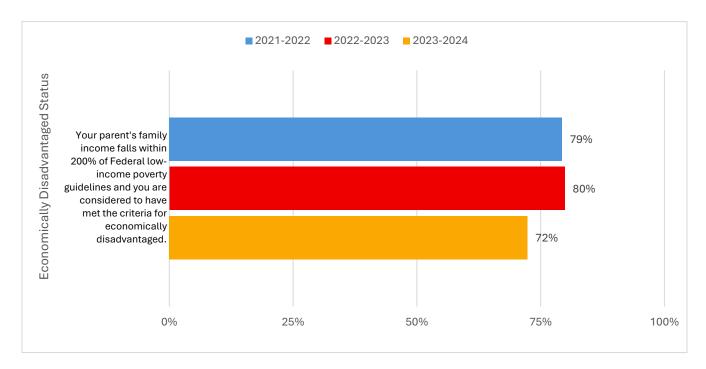

Figure 23: SLP Applicants That Have an Intermediate or Higher Level of Proficiency in at Least One Language Other Than English for the Past Three Years

Disadvantaged Status

Data regarding disadvantaged applicants is based on optional self-reported responses. Applicants in CSDCAS could have selected one or more disadvantaged statuses. The disadvantaged categories are not mutually exclusive. Therefore, applicants may be represented in more than one category. Applicants were not required to use search tools to determine if they met the federal government's definition of environmentally disadvantaged (e.g. geographic location of the applicant's high school being in a medically underserved area/population or health professions shortage area), but they were instructed to use their parent's recent tax forms and the federal guidelines to determine economically disadvantaged status.

Figure 24: Acceptance Rates for Economically Disadvantaged Audiology Applicants for the Past Three Years

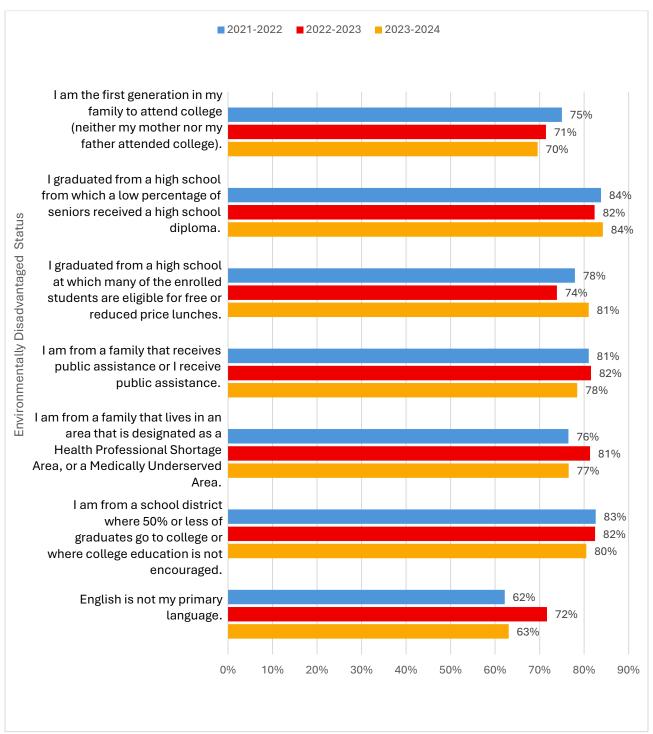

Figure 26: Environmentally Disadvantaged Audiology Applicants in 2023-2024

Environmental Disadvantaged Status	Accepted Applicants	Denied Applicants	Acceptance Rate
I am the first generation in my family to attend college (neither my mother nor my father attended college).	158	37	81%
I graduated from a high school from which a low percentage of seniors received a high school diploma.	16	7	70%
I graduated from a high school at which many of the enrolled students are eligible for free or reduced price lunches.	192	36	84%
I am from a family that receives public assistance (e.g. Aid to Families with Dependent Children, food stamps, Medicaid, public housing) or I receive public assistance.	75	23	77%
I am from a family that lives in an area that is designated as a Health Professional Shortage Area, or a Medically Underserved Area.	33	8	80%
I am from a school district where 50% or less of graduates go to college or where college education is not encouraged.	51	14	78%
English is not my primary language.	29	17	63%

Figure 27: Economically Disadvantaged Audiology Applicants in 2023-2024

Economically Disadvantaged Status	Accepted	Denied	Acceptance
	Applicants	Applicants	Rate
Your parent's family income falls within 200% of Federal low-income poverty guidelines and you are considered to have met the criteria for economically disadvantaged.	115	44	72%

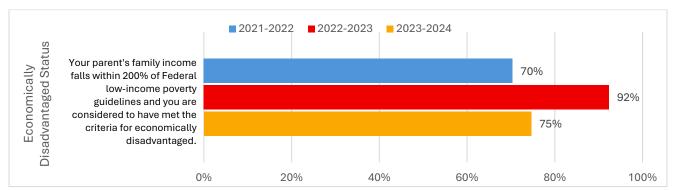

Figure 29: Acceptance Rates of Environmentally Disadvantaged SLP Applicants for the Past Three Years

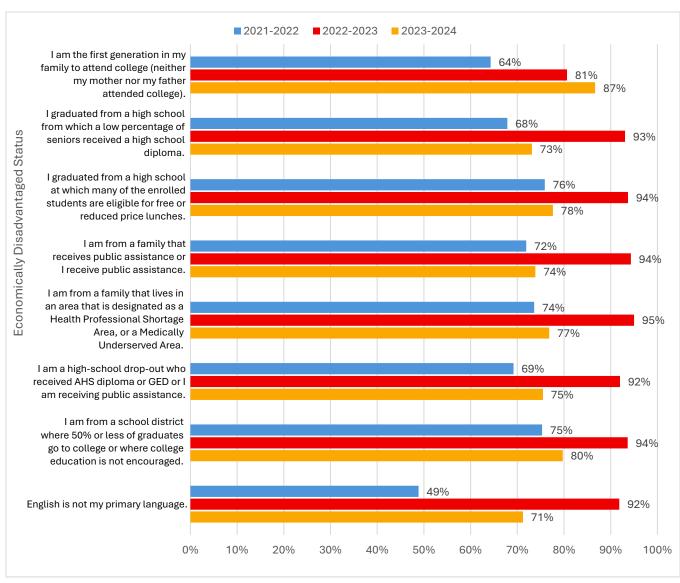

Figure 30: Environmentally Disadvantaged SLP Applicants in 2023-2024

Environmental Disadvantaged Status	Accepted Applicants	Denied Applicants	Acceptance Rate
I am the first generation in my family to attend college (neither my mother nor my father attended college).	1690	598	74%
I graduated from a high school from which a low percentage of seniors received a high school diploma.	215	79	73%
I graduated from a high school at which many of the enrolled students are eligible for free or reduced price lunches.	2067	596	78%
I am from a family that receives public assistance (e.g. Aid to Families with Dependent Children, food stamps, Medicaid, public housing) or I receive public assistance.	730	237	75%
I am from a family that lives in an area that is designated as a Health Professional Shortage Area, or a Medically Underserved Area.	336	86	80%
I am a high-school drop-out who received AHS diploma or GED or I am receiving public assistance.	26	4	87%
I am from a school district where 50% or less of graduates go to college or where college education is not encouraged.	514	155	77%
English is not my primary language.	272	110	71%

2023-2024	Standard Deviation=0.34	Standard Deviation=0.42

GRE

CSDCAS collects self-reported and official GRE scores from applicants that have taken the test. These figures reflect the means of the percentiles of self-reported scores. The number of SLP and Audiology programs that used the GRE has declined significantly over the last 4 years. We estimate that 95% of programs required the GRE in the 2019-2020 cycle, but we did not explicitly track this requirement prior to the 2020-2021 cycle.

Figure 34: Percentage of Audiology Programs in CSDCAS That Require the GRE

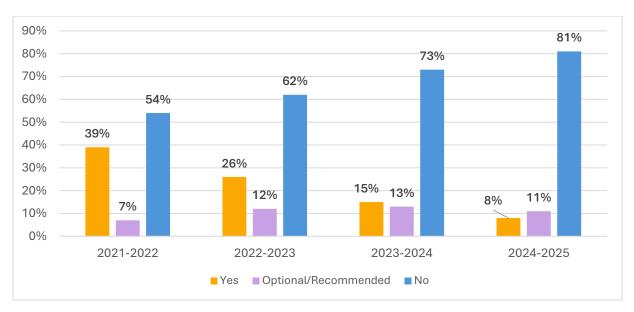

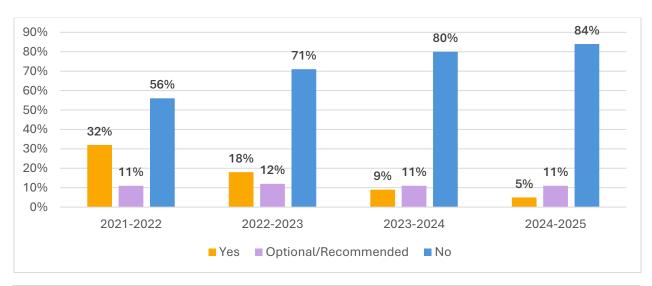

Figure 35: Percentage of SLP Programs in CSDCAS That Require the GRE

Note: This chart includes 2024-2025 data

Acknowledgements

Thank you to the CAPCSD Board of Directors for your support of CSDCAS and continuous service to improving CSD education.

A special thank you to the CSDCAS team at Liaison- Karen Jacobs, Jessica Scholz, and Jenny Kinkead. I am grateful for our partnership and the opportunity to collaborate with you.
